How soon can I receive help with food and cash assistance?

If you need food assistance right away, fill in Questions 1 through 14 and take this form to your local office.

We decide if you are eligible for food assistance within 7 days if you show proof of your identity and meet one of the following:

- Your household will have less than $150 gross income and less than $100 liquid resources this month.

- Your household’s income and resources are less than your monthly rent and utilities.

- Your household includes a destitute migrant or seasonal farm worker.

Benefits are issued by the day after we decide you are eligible. Food assistance usually starts the day we receive your application. Cash assistance usually starts the day we have all the information to decide you are eligible.

Civil Rights

In accordance with Federal law and U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. Under the Food and Nutrition Act of 2008 and USDA policy, discrimination is prohibited also on the basis of religion or political beliefs. To file a complaint of discrimination, contact USDA or HHS. Write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (202) 720-6964 (voice and TDD). USDA and HHS are equal opportunity providers and employers.
Immigration Status and Social Security Numbers

You may be able to get assistance for some people you live with even if others you live with can't get help because of immigration status. You must tell us the immigration status of anyone who applies.

Under Federal Law (45 CFR §205.52, 7 CFR §273.6), you must give us the Social Security Number (SSN) for anyone you live with who applies for TANF, or food assistance. We may also need SSNs of parents and spouses who live with you but don't apply.

We use SSNs to check identity, verify eligibility, prevent fraud, and collect claims. We exchange information with other agencies to manage our programs and follow the law. We may also give this information to law enforcement agencies trying to catch fleeing felons.

Privacy and Your Cash and Food Assistance

The Food and Nutrition Act of 2008, as amended, permits the department to collect the information we ask for on the application, including the SSN of each household member. Providing the requested information is voluntary. However, failure to provide a SSN or proof of application for a SSN without a good reason will result in the denial of Basic Food assistance to each individual failing to provide a SSN. We verify some of this information with computer matching programs, including the federal Income and Eligibility Verification System (IEVS).

Information reported to the Department of Social and Health Services may affect eligibility for health care coverage administered by the Health Care Authority and the Health Benefit Exchange.
