

Nooksack Indian Tribe

PUBLIC HEALTH NOTICE

1. All NIT Buildings will be equipped with essential disinfecting materials, which will include hand sanitizer and Clorox Wipes. Employees can assist by keeping their work areas disinfected throughout the day and at the end of their day. Please do not remove supplies from their designated areas, they are for all staff. Please notify your Department Director if you require any additional supplies.
2. A Sanitizing schedule has been implemented to disinfect all Tribal facilities.
3. As preventative measures to Coronavirus (Covid 19); employees are being asked to stay home if you are ill; especially if you have a fever.
4. Effective immediately elder's lunchroom will be closed for cleaning and sanitizing. Lunches will be delivered Monday-Friday by the Elder's Staff.

If you have concerns of possibly having the virus (fever/cough/difficulty breathing) or have been exposed to Covid 19 please follow these protocols:

- a. **Do NOT come to the clinic** – call the clinic [(360) 966-2106] [after hours nurse hotline (360) 607-5501].
- b. The clinic will call the Health Department and the Health Department will send someone to your home to administer the test.
- c. Those who choose to go to the clinic, who DO have symptoms MUST wear a mask and use hand sanitizer.

Social Interventions:

- a. No hugging/shaking hands;
- b. Wash your hands for at least 20 seconds;
- c. Use hand sanitizer; and,
- d. Stay 6 feet away from people that have a cough.

Issued by the General Manager, March 5, 2020.

Katherine Romero, MPA
