PUBLIC NOTICE: August 9, 2021

The Nooksack Tribal Social Services Department is in the process of renewing the Community Services Block Grant (CSBG) Plan for the 2021/2022 year. There is a required 10-day comment period that will allow tribal members and the community to submit comments, suggestions or questions to the Social Services Director regarding the CSBG plan. Copies of the proposed plan are available at the Social Services Office or there will be a digital copy readily available on the Nooksack Tribal website. Any comments or suggestions that an individual wants to make will be accepted in written form or transcribed by staff for those who are unable to write. At the end of the review and comment period the Social Services Director & CSBG staff will meet to review the comments and created responses and make edits to the policy as needed.
