

NOOKSACK INDIAN TRIBE ELECTION CANDIDATE STATEMENT

Candidate Name/Nickname(s) Michael D. Davis Sr

Position Running For Chairman

Michael D. Davis Jr for Chairman

My name is Michael D. Davis Jr

I am a Nooksack tribal member with experience in
tribal gaming, regulatory oversight, and facilities management.

I served as a Gaming Commissioner, where I was responsible
for compliance, accountability, and oversight of key tribal
gaming enterprise.

In my work in facilities management, I supported
the maintenance and operation of tribal buildings and
infrastructure, contributing to safe, functional, and reliable
spaces that serve tribal programs, staff, and community members.

This experience has given me insight into operational planning,
resource management, and long-term infrastructure needs.

I understand the importance of strong systems that
support community well-being. One of my priorities is
the expansion and strengthening of care services for Nooksack
elders, with a focus on accessibility, dignity, and culturally
respectful care.
