Candidate – Council Position A

My name is Edward Doherty; I prefer Ed or Eddie. I am a descendant of the Antone Allotment and the George Kalime Allotment. I am the son of Delores “Macky” (Reid) Doherty and Edward J Doherty Sr., and the grandson of Ella (Cline) Reid and Frank Reid. I am the father of the late Brian Doherty and daughter Katie Doherty. Grandparent to Bailey Doherty and twins, Evelyn and Hank Doherty.

I have been active in Nooksack Tribal politics for many years. I have held an elected position as a Commissioner of the Nooksack Tribe Fish Commission for over 10 years. Also, I have been an NBC III Board member since before the opening of Between the Ferns and assisted with the foundation of this enterprise. Additionally, I currently serve as Vice Chair of the Nooksack Tribal Gaming Commission. If elected, I will resign from these positions, in accordance with the compact and ordinances.

I have learned a lot in the past several years about how our Tribe functions. I have absorbed a significant amount of information, and I feel my experience and knowledge can be beneficial in helping move our Tribal Community into a more prosperous and successful future.

By profession, I have been in the IT arena for over 30 years with a successful record in Tribal, Education, and Health infrastructure. I believe this experience will help in working as a Tribal Council member. Also, I am a recently retired Commercial Fisherman, and I fished exercising our Tribal rights for over 40 years. I was sad to leave the industry that I love but I felt it was time to pass this opportunity on to some of our younger Tribal members.

When not working, I enjoy spending time with family, being outdoors, strength training at the gym, and playing pickleball. I strongly believe that keeping active in my elder years is key to longevity.

I am a firm believer in open communication and transparency. I will do my best to answer any and all questions and concerns from all of our Tribal members. I thank you for your time in considering me as one of the future Nooksack Tribal Council members.

Sincerely,

Eddie Doherty
